

# Sea Sun

## 2020 PINOT NOIR

**Scents:** Cherry, light toasted wood, dry earth, clove, and a hint of s'mores

**Flavors:** Echoes of cherry from the nose, with raspberry on the finish

**Style differentiator:** Bright and fruit-driven, with lush cherries and a strikingly soft texture. Try chilled during warmer months to enhance this wine's silky smoothness

**Vineyards:** Sourced from premier coastal regions of California. Exact sourcing shifts vintage to vintage, allowing flexibility each year

**Farming notes:** Cooling breezes off the Pacific Ocean balance the sun — this temperate environment shields Pinot's delicate skin. Grapes stay on the vine longer for enhanced flavor and character

**Aging:** Lightly aged in a combination of new and neutral French oak for a toasty character and bright fruit

**Suggested food pairings from winemaker Charlie Wagner:** Jambalaya, tomato and basil flatbread and vegetarian Bao Buns

*“California is a beautiful sight and beautiful place. I like to think its unique character can be found in a glass.”*

*- Charlie Wagner, owner and winemaker*
