## 2023 PINOT NOIR | CALIFORNIA

**NOSE:** Indicative of this wine's taste. Notes of baking chocolate, berry basket and dark cherries.

**PALATE:** Defined by its texture and the flavor of dark cherries. Soft throughout, with the feel of fine cocoa powder.

**INSPIRATION:** Winemaker Charlie Wagner's passion for the California coast. At every opportunity, he travels to places like Monterey or Big Sur – “windbreaker country” whose rugged beauty and ocean influence translate to complexity in the glass.

**SOURCING:** Coastal regions of California. Ocean breezes temper the sun, allowing grapes to stay on the vine longer for enhanced flavor.

**DIFFERENTIATOR:** Silky with rich fruit. A layered wine with a bright character - highly enjoyable and versatile. Enjoy slightly chilled.

**SUGGESTED FOOD PAIRINGS:** Cacio e pepe, carnitas tacos, spicy grilled shrimp or wild mushroom risotto.

*“I like to think of this wine as California in a glass. The state holds endless potential to make great Pinot.”*

*- Charlie Wagner, owner and winemaker*
